### About the Company

ONE Group Pty Ltd is the creator and producer of the world's first certified organic skin, body, hair, oral, health care and cosmetic products. Developed in Australia, the ONE Group range of products is independently certified by Australian Certified Organic (ACO) and the United States Department of Agriculture (USDA) to the highest international organic food standards. ONE Group located on the Gold Coast in Queensland Australia, commenced operations in February 2003. They were awarded an Australian Federal Government grant in 1999 to develop the world's first organic cosmetics range. The extensive range of skin, body, hair, oral, health care and cosmetic products is now available worldwide.

### Company Vision

To be an outstanding enterprise of inspiration, conviction and integrity that is a force for change towards ethical and ecological business practices, while making a positive difference in the lives of our Representatives, Customers, Employees and their families, throughout the world.

### Company Mission

We offer an innovative product range of unrivalled purity and effectiveness, combined with an ethical, unique and versatile business model that rewards all those associated with us, through a financially stable, soundly managed company.

### How does it work?

Once your application to be a fundraising partner has been approved by ONE Group, you are provided with your own **MiFundraiser™** website. For example, <http://yourorg.mifundraiser.com>.

This website can be personalised to add photos and information from your organisation. It also provides a complete description of the entire product range, costs, Company background and other information, and offers the convenience of online ordering.

You can then inform your members about the program (and your website) via notices, newsletters, and emails. Based on the fact that all orders are going through your organisation's fundraising website, you will receive up to 30% of the retail price of every order placed by each individual/family monthly.

**MiFundraiser™ is a Win-Win Relationship for everyone!**
